4. On the new page that loads, click the button to "Download your eduroam installer":

If you encounter problems, then you can obtain direct assistance from your organisation

WWW: http://ithelpdesk.franklinpierce.edu

email: ithelpdesk@franklinpierce.edu

tel: 1 (603) 899-4214
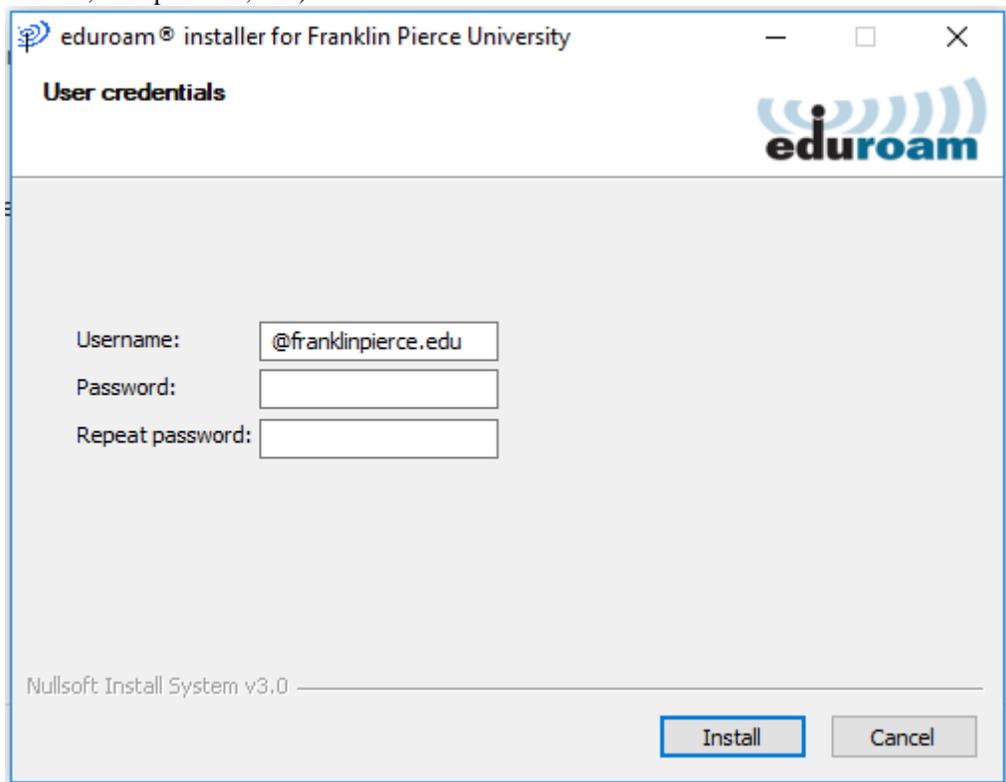

Download your eduroam® installer
MS Windows 10

i

Choose another installer to download

5. Once the file has downloaded, click on the download in the lower, left hand corner of your screen (if using Google Chrome, see image on left, below) or the top, right hand corner of your screen (if using Firefox) *Note: if prompted to open, save or run download, select "run"

6.Once the configuration file is opened, you will be asked to continue in a new window. Select "Next" and you should see the warning below, and click OK:

7. Enter your username (placed **BEFORE** @franklinpierce.edu) and your FPU login password (same as Canvas, CampusWeb, etc.)

8. Click "Install" initiating the installation process.

9. Once complete you should be able to hit "Next" and see the status of the **eduroam** connection.
It is recommended you restart your computer and log in, verifying you are now able to connect to **eduroam**.
